

**FROM THE PRINCIPAL**

Dear Parents and Community Members,

This year, the Oregon Department of Education has temporarily suspended the assignment of school ratings during the transition from the OAKS (Oregon Assessment of Knowledge and Skills) to the new college and career readiness assessments (Smarter Balanced). Schools will not receive an overall school rating on this report, but will receive a new overall school rating on the 2015-16 report.

At Scotts Mills school we will continue to focus on student growth and achievement across all academic areas, specifically focused on math and reading. We will target those students who are not making adequate growth and offer them the additional support needed for academic success. I have every expectation that

Scotts Mills Elementary School will continue to demonstrate academic excellence and growth for all students. We will continue to prepare students for the state assessment, SBAC, high school, as well as college and career readiness.

Our work and vision at Scotts Mills School falls in line with the Silver Falls School District Mission Statement, "Together...cultivating character and academic growth in each student. Every day." We are looking forward to a great year and appreciate your continued support.

Thank you,

Principal | Kirstin Jorgenson

**OVERALL SCHOOL RATING** HOW ARE STUDENTS AT THIS SCHOOL PERFORMING COMPARED TO THOSE AT OTHER SCHOOLS?

The overall school rating is intended to summarize this school's particular successes and challenges. It is based on a combination of up to five factors. Three of these factors come from standardized test scores in reading and math: student achievement, student growth, and the growth of underserved subgroups. Please note that this rating is based mainly on high-stakes testing and, accordingly, doesn't represent a complete view of your school's performance. Other aspects of this report card are designed to put this rating in the proper context.

**The U. S. Department of Education has given the State of Oregon approval to temporarily suspend the assignment of school ratings during the transition from the Oregon Assessment of Knowledge and Skills (OAKS) to the new college and career readiness assessments. Schools will not receive an overall school rating on this report card and will receive a new overall school rating on the 2015-16 school report cards.**

**SCHOOL PERFORMANCE**

Performance of students enrolled in the school for a full academic year

Did at least 95% of the students at this school take required assessments?  Yes  No, Interpret Results with Caution  
*Participation rate criteria are in place to ensure schools test all eligible students.*

The Smarter Balanced and alternate assessments have four performance levels where levels 3 and 4 are meeting the standard for school and district accountability.
