

**FROM THE PRINCIPAL**

Dear Parents and Community Members,

The annual report card issued by the Oregon Department of Education offers a comprehensive picture of what Scotts Mills Elementary School offers to students.

At Scotts Mills School we will continue to focus on student growth and achievement across all academic areas, specifically focused on math and reading. We will target those students who are not making adequate growth and offer them the additional support needed for academic success. I have every expectation that Scotts Mills Elementary School will continue to demonstrate academic excellence and growth for all students.

We will continue to prepare students for the state assessment, SBAC, as well as college and career readiness.

Our work and vision at Scotts Mills School falls in line with the Silver Falls School District Mission Statement, "Together...cultivating character and academic growth in each student. Every day." We are looking forward to a great year and appreciate your continued support.

Thank you,

Principal | Kirstin Jorgenson
